BRITISH COLUMBIA GEOLOGICAL SURVEY

This reference scale bar has been added to the original image. It will scale proportionally with the original image, therefore it can be used as a reference for the original size.

NOTES:

Drill Data including survey, geology & assay logs from Ainsworth-Jenkins Holdings Inc.
Elevations from Aug'90 survey increased by 1092m to conform to prior survey elevations
Recorded drill hole azimuths decreased by 15° to compensate for North direction of Aug'90 survey
Location of DDHs intersected in decline or located nearby, adjusted
