ABOUT 7,000 ACRES OF ZINC - Vistor Guinet, president, announced that Golden Eye Minerals Ltd. has leased the Red Bird PROSPECT REQUIRED NEAR TRAIL zinc property from Diem Mines Ltd., a Canadian subsidiary of Hecla Mining Company of Coeur d'Alene, Idaho. The Red Bird property is adjacent to the former producing Reeves MacDonald Mine, 20 miles southeast of Cominco's smelter at Trail, B.C. Golden Eye has also acquired additional ground in the area by option agreement and staking to bring its total interest in the area to some 7,000 acres. Engineering reports are being prepared.
