Dear Charlie,

Here yours of the 5<sup>th</sup> and  
pleased to hear that you  
expect Ross about the middle of  
the month.

There is nothing new to report  
at the mine. They finally got  
that hole down after casing  
and they ex bit. Cut a little  
zinc but it does not look  
commercial.

Seems to me Chilcox should  
have Hill's report by now but  
I have not heard from him,  
Chilcox. Chilcox told me he  
would telephone me after receiving  
report. Kind regards, Alf.
