Dear Art:-

Probably you noticed that the article on the Western Ex. did not show up in the August issue of the Western Miner. I called up their office this morning to find out why. Mitchell is out of town and nobody else seemed to know much about it. The girl I talked to said she understood that copy had to be in by the end of the previous month which, if correct would explain the omission as it was not mailed until August 4th. I told her to make a note to have it held up for further instructions. I would suggest that it be revised up to date which will have to be done at Silverton by you or Curry. Please advise the Western Miner, or me, if you still want my article published or that you will revise it.

I was waiting until the Western Miner arrived before calling on Mr. Chilcott, but will see him tomorrow.

I arrived in Vancouver at 2:15 A. M. on the 12th, about 17 hours from Silverton and could not get a room until afternoon, so slept more or less on a lounge in the Alcazar lobby. I had no trouble en route, nor have I had any since.

Mark
Best regards, Sincerely,
