Dear Sirs:

During the fiscal year of 1955 the Western  
Exploration Company Limited did not mine any ore nor was  
any ore encountered in the mine development program, thus  
the Ore Reserves are the same as in the 1954 fiscal year.  
However diamond drilling indicated an orebody the extent of  
which has not yet been determined.

Yours very truly,

*Chas. C. Starr*
