Surewin Resources Corp. VSE-SWC

Surewin has reached an agreement in principle to joint venture with Troudor Resources to bring the Silence Lake Tungsten Mine, 70 miles north of Kamloops, B.C. into production. Surewin will pay Troudor \$250,000 in consideration of the agreement and spend a further \$500,000 blocking out further tonnage. The agreement will see Surewin holding a 49% interest in the mine. A new mill is in place and its capacity is being expanded from 100 tons to 200 tons per day.
