WEST COAST MINING & EXPLORATION
TELEPHONE: 985-0015
205 - 122 EAST 14th STREET
NORTH VANCOUVER, B.C.
LEGEND
Double line West Coast Mining Claims
Single line Claims presently held by other companies
Short dashed line Approximate geologic contacts
Long dashed lines Outline of proposed exploration area
SCALE 1 inch = ½ mile
Cu/Zn values in parts per million Stream silts
Note Geology of the northeast half (diagonal) not known. It is thought to be composed of Island intrusions and northeast of the intrusives-Karmutsen volcanics.
