MORE PROPERTY OPTIONED IN SE B.C. - James H. Simpson,

082FNE128

president, reports

that Mikado Resources Ltd. has obtained an option to acquire the Nor 1 and Nor 2 claims in Slokan mining division, B.C., subject to regulatory approval. A drill test of this structure will start in the first week of June.

Mr. Simpson notes that, in 1983, the owner shipped 5-1/2 tons grading 0.04 oz. gold/t, 56.6 ounces silver/t, 0.1% lead and 5% zinc to Cominco's smelter at Trail.
