

002437

062F NW 172

LAKEVIEW

- on Springer Creek

Ref ORR J., (1971): MBC Thesis - MINERALOGY &
COMPARISON ORIGINATED STAGE OF MINERAL DISTRIBUTION
IN SLOCUM CITY CAMP

p 27: has trace of chalcocite, (prob. after chalcopyrite).

Bob McCarroll, former holder, says location on MAP 4, is
wrong. (Check topo - could be another watershed)
