BLACK COALT GROUP

SANDON, B.C.

SCALE: 1" = 40'

This reference scale bar has been added to the original map. It will scale at the same rate as the black vein ore if you use it as a reference for the original size.

EXPOSED ORE OR VEIN ——— (numerous flat faults not shown)  
FAULTS ———

Map traced from old map, with additions by Compass survey.  
Relative position of tunnels subject to a few feet error.

To Accompany Report of Chas. C. Starr  
October, 1926.
