Dear Mr Welock,

It is with regret that I wish to  
officially relinquish my Three G's, 4 Post Claim (2924)  
at Three Valley Gap. Interesting monazite - graphite  
showing which I and Teck investigated. Following  
reports, assays, colleges are self explanatory. Graphite-  
rare - earth samples given to Dan Hora + Dr  
Simard of BC Govt Victoria (industrial minerals). As you  
can see Teck expended over 2000 dollars on this  
project whereas my expenses were 1500 dollars.

Some harassment on the road up from  
the motel with hunters and ski-do fanatics.  
but on the whole very enjoyable. Better luck  
next time

Sincerely,

G. E. Thomas

P.S. Thanks for your patience with Calgary Old Age Pensioners
