DEPARTMENT OF MINES AND PETROLEUM RESOURCES

MINING RECORDER

**APPLICATION FOR A LIMITED PRODUCTION PERMIT BY AN
INDIVIDUAL FREE MINER**

Before completing form, please read information on back.

I, JOHN Filek, address 779-10 Street
(Please print) Kamloops B.C., Free Miner's Certificate No. 146482

issued _____, make application for an order of the Minister, pursuant to section 15 of the *Mineral Act*, permitting limited production from the following mineral claim or adjoining claims, under the provisions of the *Mineral Act*.

Name of Claim	Rec. No.	Lot No.	Mining Division	Land District
<u>F53</u>	<u>133</u>		<u>Kamloops</u>	<u>Kamloops</u>

(If space not sufficient, list additional claims on separate sheet.)

I intend to produce annually minerals not exceeding \$100,000 in gross value, and in the event that production exceeds \$100,000 in gross value annually, I will apply for a Production Lease, pursuant to section 59 of the *Mineral Act*.

I have prepared a plan of production, a copy of which is attached.

I have attached a statutory declaration of the last year's production under Permit No. NIL *

I have complied with the provision of sections 10 and 11 of the *Mines Regulation Act*.

In the event of a boundary dispute I agree, if required by the Minister of Mines and Petroleum Resources, to have a legal survey carried out by a British Columbia land surveyor at my expense.

The sum of \$25 for each mineral claim included in the application, amounting to \$ 25.00, is submitted herewith.

I hereby certify that the information given in this application is true and complete in every respect.

Mining Recorder

6. Recent history - knowledge of previous development of the area.
There was no previous development or workings in this area. Therefore no history.
7. Mining Method to be used
- Open pit
 - Equipment Bulldozer, front end loader, Drilling and blasting
8. Labour requirement, approx 8 men all year round. for 20+ years
9. Proposed reclamation. Reseeding back to grass has was
- no streams will be affected
 - There is no grazing up on this mountain
 - We have not encountered any wildlife for several miles from our site
 - There was never any agriculture development on this mountain
 - The only problem to #9 is reseeding the grass. This has already been done in this area.
 - The above area was burnt over 3 years ago.

3 miles from #1 Trans Canada Highway
