**Ripple Resources VSE - RIP** (82L/3W)

Robert Dixon, President of Vancouver-based Ripple Resources announced the company has negotiated an option to an 89 claim (5,785 acre) group in the Vernon Mining District. The claim group includes the two former producers - the British Empire and the Royal Standard. A recent assay sample from a 500 foot shaft returned as high as 1.060 ounces gold per ton.
