SUMAC VENTURES INC. (SSV-V) 92HSE036

LEGAL CLARIFICATION SOUGHT - R.H. Seraphim, president
reports Sumac Ventures Inc.
has acquired, by staking under the new Mineral Tenure
Act and Regulations, the Aorangí Fr (fractional) mineral
claim. This claim covers old Mascot mine tailings on
Lot 1796 previously leased from the Ministry of Lands
and Forests. Since acquiring right to the old Mascot
Mine tailings at Hedley, B.C. legal proceedings have
started which have raised questions concerning title to
the property. The company is taking active measures to
clarify this matter in order to enable it to begin
processing material in the near future. These tailing
are recorded at about 500,000 tons with grade close to
0.05 oz.gold/ton. Engineering and permitting are
continuing. GCNL #6, Jan. 10/89
