

Iona Bx → E Jers. Pit

010129

Ppy dykes - lots E of Iona

Gu/Bm contact - not much bx along it

Bx - narrow → mushroom upward

- flat bottomed

- dyke-like

- in Bm some well out but carrying Gu frags

Matrices - comminuted or ppy cement

Dykes cut bx commonly

Bx Uneven in plan & section & distribution

S. of Jersey stripped + two benches "constructed"

S. wall will be cut back

SE wall & toward E. J. pit will be mined (?)

waste → E. Jersey

dumped into

BETHLEHEM
