Dear Vic:

I am sorry that it has taken such a long time to answer you.

I have inquired from the boy^s who worked on the property at the time, if he went up or around the property? The answer was no, we have the tunnel maps. This is all that I know of that was carried out for Quilchena. I have not seen any report, geology.

I am enclosing a Claim Map - scale 1" = 1,000 feet.

We are more concerned about Au - Ag to be able to get parties interested.

Wishing you and Dr. Carr a Happy New Year.

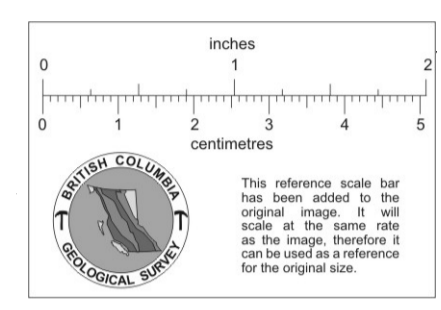

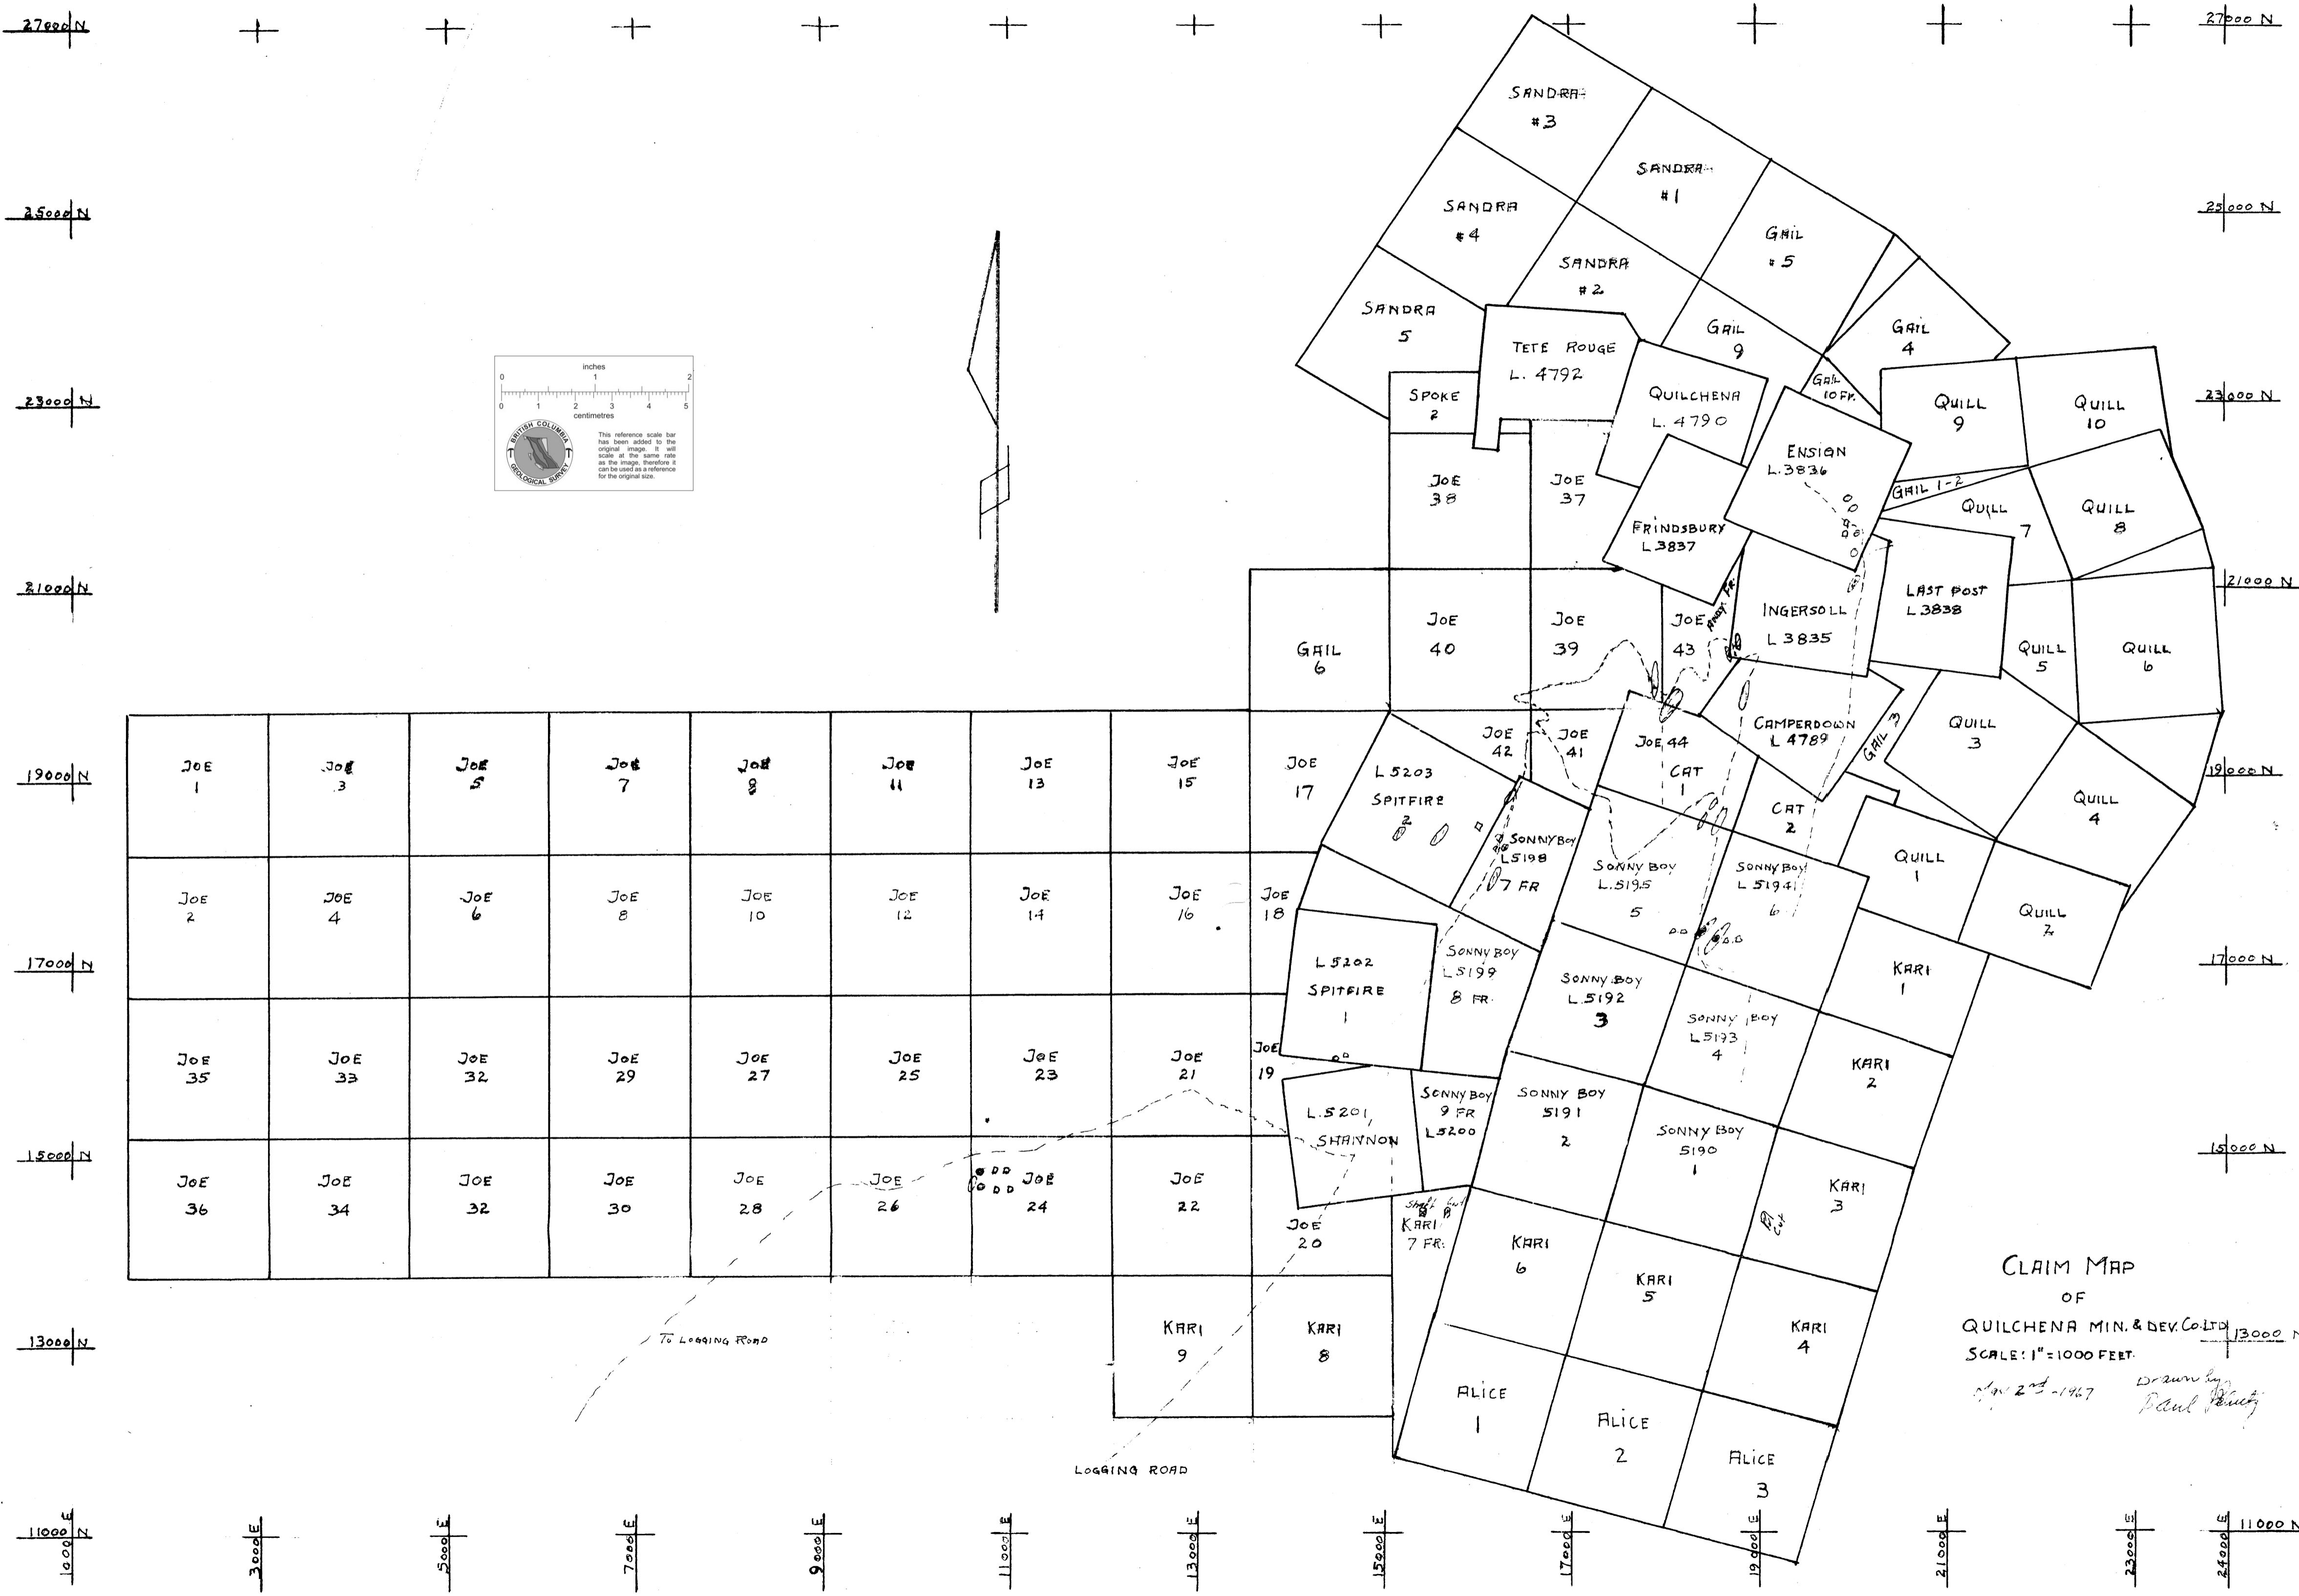

Sincerely,

Paul.
