Dear Sir:-

We have not yet received Mr. Galloway's report on this Company's property. Will you please advise when we may expect to receive this since all future plans are held up pending <sup>the</sup> ~~this~~ report.

Could you also recommend a first class mining engineer, thoroughly conversant with the hydraulic gold mining business, since it is possible we may wish to make a thorough examination of the property.

Yours truly,

*W. H. Andrews*

SECRETARY.

Sir:

In reply to your communication of the 30th ult., I beg to refer you to the Deputy Minister's letter of the same date, enclosing copy of Resident Engineer Galloway's report on your Company's property at Spanish Creek. I assume that same has reached you ere this.

It is not within the province of officials of this Department to recommend a particular mining engineer to make an examination of mining properties.
