Dr. A. Sutherland Brown,
Queen Charlotte Hotel,
Queen Charlotte, B.C.

Dear Dr. Sutherland Brown:

I send you herewith a photo copy of a note concerning Merrican International Mines Limited, indicating a proposal to do diamond drilling on the 12 claims MAC property, 13 miles northwest of Jedway.

In the past few days I have processed a report filed for assessment credit by Queen Charlotte Resources Limited. It is a rather wordy report by H.R. Morris dealing with the Swede Group, on which Mr. Morris did some geological mapping, some soil sampling and drilled one diamond drill hole in the early months of this year.

Yours truly,
