

LEGEND

- 9 Metasedimentary rocks (Argillite)
- 8 Quartzite
- 7 Amphibolite (Intrusive plugs and dikes)
- 6 Syenite (Porphyritic)
- 5 Diorite
- 4 Fragmental rocks. Includes units 1 and 2 as tectonic breccia or pyroclastic rocks.
- 3 Cupriferous sulfide (Massive to disseminated)
- 2 Metabasaltic tuff. Includes minor metasedimentary rocks.
- 1 Metabasalt. Pillowed and massive lava, includes minor tuffaceous layers.
