Phone call from  
Less Kiss

- He learned from claim inspector that there is staking going on in the vicinity of his Stave Lake claim group & also on Winslow Crk
- One of the companies is Cassiar Ass.
- He doesn't know if his claims have been tied onto yet or not.
- Lots of general staking of known Mo occurrences
- He proposes to stake bigger "new system block" over his Stave Claims. is one day two men.
- Also suggests staking (1) Big Gossan (Mt Wellington Area) (2) Old Noranda showing 10 mi away, no drilling
- His partner is back in town (Jake Forrester?)

Told him to try & find out whether Stave Lake has been tied onto, will phone him on Fri.
