Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium

Pillow lava, carb. argillite, graphitic argillite, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium

Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium

Pillow lava, carb. argillite, graphitic argillite, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium

Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium

Pillow lava, carb. argillite, graphitic argillite, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium

Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium, native radium

Pillow lava, carb. argillite, graphitic argillite, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium, native radium

Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium, native radium, native actinium

Pillow lava, carb. argillite, graphitic argillite, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena, arsenopyrite, tetrahedrite, stibnite, boulangerite, jamesonite, pyrargyrite, native gold, native silver, native copper, native lead, native bismuth, native antimony, native arsenic, native tellurium, native selenium, native mercury, native iron, native nickel, native cobalt, native zinc, native cadmium, native tin, native molybdenum, native tungsten, native platinum, native palladium, native rhodium, native ruthenium, native osmium, native iridium, native rhenium, native gallium, native germanium, native indium, native thallium, native beryllium, native lithium, native magnesium, native calcium, native strontium, native barium, native radium, native actinium

Pillow lava, carb. argillite, graphitic argillite, tuff, pyrite, pyrrhotite, chalcopyrite, sphalerite, galena,
