## Certificate of Analysis

REPORT NO.  
627-30-7031

SAMPLE(S) FROM: H. COHEN ENGINEERING  
1264 West Pender St.,  
Vancouver, B.C.

AMAI INLET

SAMPLE NO.	Au (oz/t)
73-66	9.64
73-68	1.62

Note re sample location:

73-66 was taken along the shear zone for a length of 24', depth into shear 3', marked by MT as hi-grade

73-68 sample taken from sulphide zone in the main shear zone. This was taken for possible assay to check association of sulph. with Au. Original sample from area of 6" x 10" and depth of 1" approx.

(This was marked by M. T. as doubtful, no vis. Au content.)
