RE: CORE - N.T.S. 93E/6 68/32/67

1. Conversation with Andy Schmit:

- worked area with Hudson's Bay Oil & Gas in '73, recommended I.P.
- silts negative

JIM CRAWFORD

- a) Our mineral inventory file 93E is missing. Jane is to order a new one then when available, check any assessment work reports.
- b) Reminder - check out area with Bob Stevenson
