Re: Lightning Peak

One of the properties which received more extensive development on Lightning Peak was the Lightning Peak Group consisting of:

<u>Lot</u>	<u>Name</u>	<u>Owner</u>
Lot 3414	First Chance	Herbert Allan Mcken Blewett B. C. In arrears for 1966 - Taxes due \$25.50 on 50.34 acres.
Lot 3415	West Fork	Maurice Lorne Craig 520 Victoria St., Nelson B. C. In arrears 1965,66 - Taxes due \$39.00 on 51.65 acres.
Lot 3416	Jim Hill	Maurice Lorne Craig 520 Victoria St., Nelson B. C. In arrears 1965,66 - Taxes due \$32.25 on 42.75 acres.

The old mine workings appear to be on the First Chance and West Fork claims - the dumps probably extend onto the Jim Hill claim. We have never actually located the claim boundaries.

Other crown grant claims to the west cover the Killarney showings and are:

Lot 4637	Killarney	Enock J. Brække , Walter Anderson, H. Otto Cooper c/o H. O. Cooper, Edgewood, B. C.
Lot 4638	Thunder Hill Fr.	Brække Group
Lot 4639	Lucky Jim Fr.	Brække Group
Lot 4640	Lost Cayuse	Thomas W. Sayer 41 North Hemline Ave. St. Paul, Minnesota
Lot 3413	Thunder Hill	Herbert Allan Mcken Blewett, B. C.

Taxes are paid to date on these last five claims.
