I have just (through my company) acquired a couple of high grade gold properties:

(A) Sonnby group - consists of 12 reverted crown grants plus 2 (lost) claims.
Assays up to 50.33 oz/ton Au.
(Report enclosed) map inside

(B) Constant Group. Assays up to 5 oz./ton Au.
map and minister of mines report enclosed.

If you know of any companies looking for a gold property please have them contact me:

It would be nice to see you again.

If you recall I took you up to East Barriere Lake last year, you stayed over at my house and we had an enjoyable visit, except for the death of my wife's father.
