CIMA RESOURCES LTD.

DRILL PROGRAM NOW UNDERWAY AS FOLLOW-UP TO TRENCH ASSAYS - William B. Warke, president of Cima Resources Ltd., has reported that a diamond drilling program is well underway on the Mica-Cima claim group, Mt. Hundere, 33 miles north of Watson Lake, Yukon. A series of 30-meter deep holes is testing the mineralization below that sampled in a series of trenches. See the assay results from four of these trench samples on the map overleaf. Assays from the first drill holes are expected in the next week. Bond Street International has exercised the Sept. 18, option covering 200,000 shares at \$1.00 per share.

HAL ROACH STUDIOS CORP. NORTHWEST VENTURES LTD. STAMPEDE INTERNATIONAL RESOURCES LTD.

INTEREST TAKEN IN FEATURE LENGTH MOTION PICTURE - Norman Glick has announced that Hal Roach Studios Corp., Northwest Ventures Ltd. and Stampede International Resources Ltd. are participating in the production and financing of a Canadian feature length motion picture presently being produced in Toronto and tentatively titled 'Off Your Rocker'. The film will star Milton Berle, Red Buttons and Lou Jacobi and is directed by Morley Markson.

Hal Roach Studios International Limited, the wholly owned subsidiary of Hal Roach Studios Corp., is the production company and Earl A. Glick and Norman Glick are co-producers.

Production of the film is proposed to be financed by an offering, by way of prospectus, of units of participation in the film through Mead & Company Limited, Toronto broker, on a best efforts basis. It is contemplated that a total of 306 Units of \$10,000 each for an aggregate price of \$3,060,000 will be offered, subject to a sales commission of \$700 per unit. Unitholders will be entitled to receive a portion of the Producer's share of gross revenue from the film and to certain deductions for Canadian income tax purposes. A preliminary prospectus, which, of course, is subject to acceptance of the final prospectus by the various securities regulatory bodies, is presently being filed with the various securities commissions in Ontario and western Canada.

Pending completion of the public offering, Hal Roach Studios Corp. has undertaken to furnish interim financing of up to \$1,000,000. Further funds may be provided by Northwest Ventures and Stampede International as required. Hal Roach Studios will receive 11 1/3% and Northwest Ventures and Stampede 10% of the producer's share of gross revenue after recoupment by the investors of 150% of the investment. Stampede and Northwest Ventures have agreed to purchase the units not purchased through the best efforts financing.
