Talk to Pete Christopher May 17/91

- He is working on drill project on Sommers Ck purpury this summer. Client:
- Plover Dome - Eastfield have adjacent ground - location of anybody (s) (?) not sure.
- Pete had DDH data but not location of holes.
- P.D. option deal on ETK terminated with Eastfield (Bill Martin, Glen Garret)
- Surface enrichment - chalcite \pm Ave (?)
is a problem.
- Calculated T x G questionable.
