Cariboo Gold Quartz

Purchased early 1995 by Frank Callaghan of International Wayside.

Exploration program will be done summer 1995

Will drill Rainbow zone, BC vein. Exposed on surface, over 90 feet, 2.24 oz/t Au

U.G. access by shaft (need to install skip, hoist) or by 10,000' drift (from access valley? Behind Mtn?) may be partly covered.

Frank has all old maps, sections - Guiget, Skerl man.

I called Francois about opportunity.
