① Princeton Iron
= Lodestone Mountain

Hugh Morris Imperial Resources
or Bill Wark Tiffany

Called back 93/4/22

Wright Engineers / 1970

Direct reduced iron

450K pellets / year

- Complete bankable report done
- Chemistry studied / various labs.
- clean ore no PbO₂ / S / etc.

Mt on tidewater?
Plant on tidewater
most interesting.

↑ ~~Harold~~ Harold Halverston → / Feb. 1993 /

① Princeton? willing to supply any info needed.

Direct reduced iron
Nat gas based
MIDREX - Quebec

- > Prefeasibility planned -
 - would like samples if possible.
 - 5 gallons of concentrate needed.
- Market for pure iron growing w magnetite sponge iron → electric furnaces → cost (competitive)

Lorne Svertson —

Princeton Iron
deposit

Bill Wentz (S)
Tiffany Res

Hugh Morris - Imperial Resources

> Feasibility for ^{direct} ~~desertion~~ red iron works

> Conc. sample needed.

> Do we have any ore samples -
(5 gallons of concentrate)

> Out of Princeton / ? Princeton ~~ore~~ ^{coal measures} /
hematite

> Information? Where is it / (where to sample) /
(within ^{This} next week)

7100MT drill blocked out

350MT inferred

more Mt 2 miles
away

Drilling a Pt
anomaly

2 Pt on Tulameen
