

HILBERT CORBET - HOPE, BC. NOV 24/94

Gold Prospect - between French
and McCullough Creeks just
North of Goldstream Engraving

- He is placer mining near the
mouth of French Creek
- McCullough Creek is historic
placer creek (two other early 60's)
- Has staked Mineral claims as
well as placer claims.
- Hired Ron Wells of Kamloops
to carry out exploration. (Hired him
recently)
 - Flew Right Survey
 - Carried out heavy mineral sampling
which returned good gold
anomaly on the stream
flowing south into lower
French Creek.
 - Found Quartz on ridge with
assays of 1 ounce plus. (Pure
Quartz) VENS DIP 30° - STRIKE
ACROSS RIDGE
