Jürgen:

Martin is going to do some assessment work on our Wilson Creek lease this summer. He will run some gauges thru his new testing tunnel and slaver box. We should dedicate some time and budget to go thru when the test is being done. We might even consider bringing a buyer with us.

Best.

ANNIKKI

Marvin Sherman is going to carry out assessment work on Extons Wilson Creek placer leases this summer.

He will do 4 years on ^(check the annual requirement) each lease ($4 \times \$250 \times 2$). The leases need to be grouped and the form 10-11 filed.

The nature of the work will be backhoe testing. to be carried out between June and Sept.

Bert.
