Gen Correspondence

Dear Sirs:

The Ministry of Forests is in the process of extending its Nyland Lake Forest Service Road into the Birrel Creek drainage to harvest the beetle infested stands in the area.

The status check revealed that the road location traverses the mineral claim Number 3361(4) - Slide 1, which is registered in your name. The location of the road is shown on the attached map and forwarded for your information.

Our Ministry will ensure that all improvements to your mineral claim are protected during construction.

If you require further information, please contact this office.

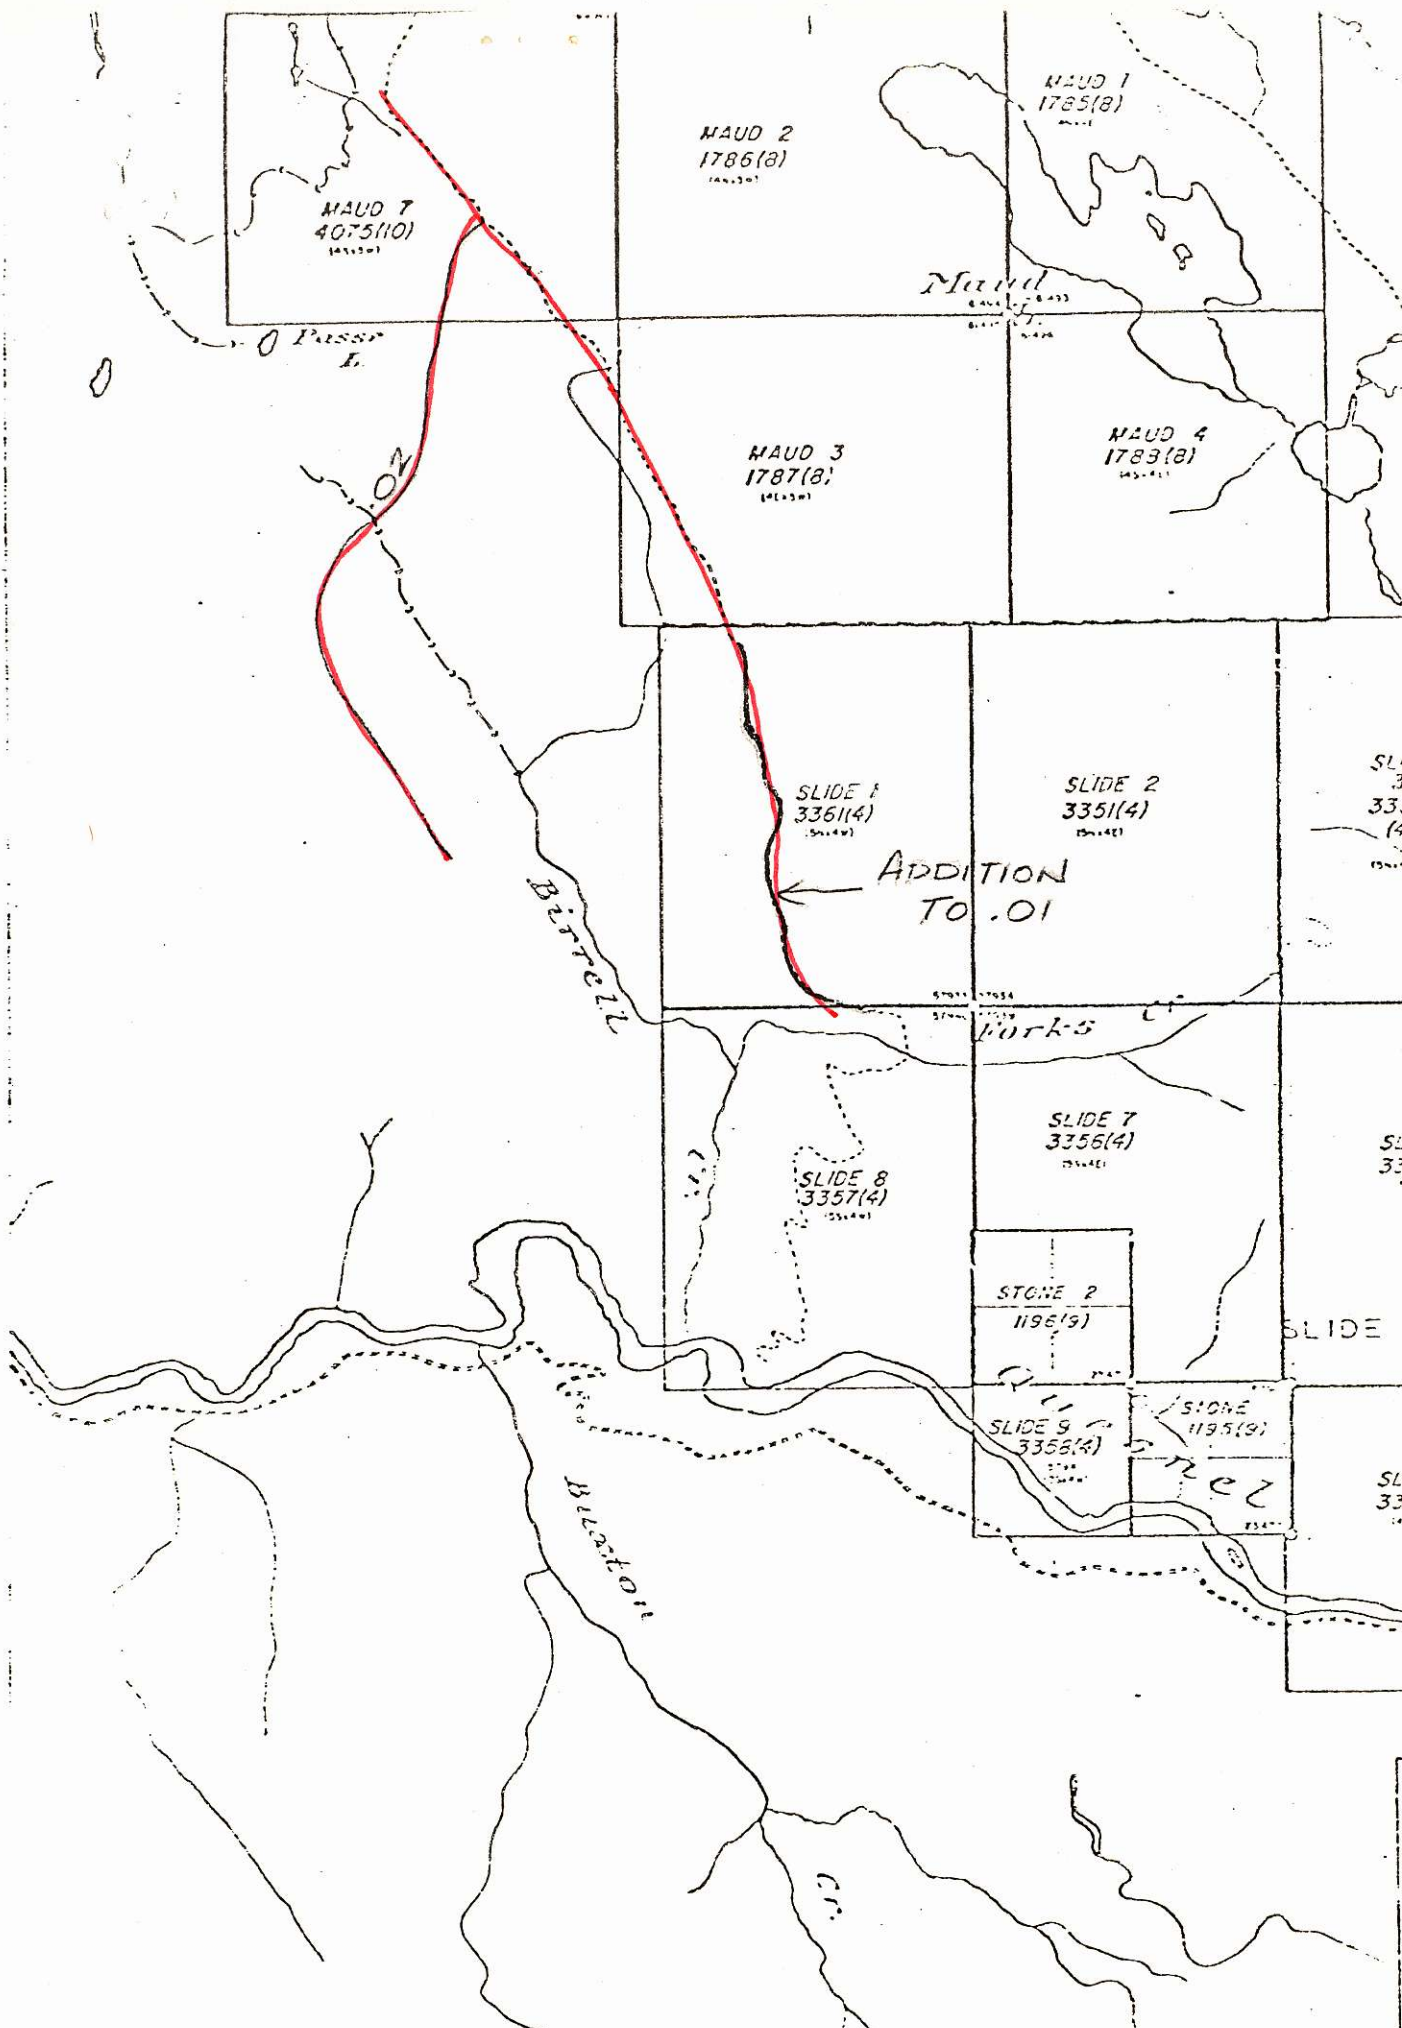

Yours truly,

E. Krajczar, P. Eng., R.P.F.
