Have tried several times to get in touch with you but without success. Please call me regarding my Fax of Feb. 17.

We are anxious to option the claims referred to in my last Fax and will enter into agreement similar to Quilchena if you so request.

MESSAGE

We are contemplating doing a deal on some mineral claims which may require access through your land. Have enclosed a map showing location. We understand that a new locked gate has been installed as shown on the map. Could you provide us with information regarding access?
