Re: Gold Assays -
Fox Geological Consultants Limited

Dear Pat:

I enclose herewith photocopies of the assay sheets which we discussed on November 24th. On these assay sheets I have marked in, in the left-hand column, the sample numbers which were on the tags contained in the original sample containers. I will also send a copy of these reports to Dr. Fox.

We noted that there were two samples which had the same tag number, namely No. 127.

I hope this will settle the matter satisfactorily.

With kindest personal regards,

Yours sincerely,

DOME EXPLORATION (CANADA) LIMITED
