RE: NANIKA LAKE PROPERTY
OMINECA MINING DIVISION, BRITISH COLUMBIA

Attached please find a report on the subject property for your review and general information. The report was provided by Mr. John Duggan of Ryslo Silver Mines Ltd. and is to be returned to him. Tons and grade are not encouraging, especially considering the location. Some discrepancies as to dip at the south end; location of ore zone on section H-H' vs. plan. Assays or information on DDH 16 missing and DDH 15 - I guess not drilled?
