Dear Mr Sharp.

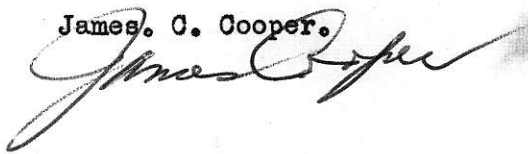

Your letter of April 27th, received, re examination of mining property held by me, I would be very pleased to have you come up and have a look at this property, However, due to a new snowfall on the hills in this district yesterday, I would suggest you not come before the latter part of the week, probably Friday or Saturday, would be O.K.

I can be reached by phone, Lytton. 694 from 7.30 to 8.30 A.M. or from any time after 4.30 P.M.

If in the meantime you are up this way, if you call at the Lytton Junction Home Service, on the Main Highway, the people there will direct you to where I can be reached.

Yours very truly.

James C. Cooper.
