Construction Aggregates Ltd.,
3497 Metchosin Road,
Victoria, B.C.
V9C 2B1

Dear Sirs;

It has come to my attention from residents of the Wishart area that the Construction Aggregates property on Wishart Road is being fenced in preparation for industrial use.

I am in sympathy with the local residents who ask that part of this property be left as park land for use by the people in the neighbourhood.

I personally would value having a small piece of wilderness left untouched for our students to enjoy and to conduct nature studies.

To retain a small piece of park land would, I feel, be a fine gesture on the part of Construction Aggregates Management that would be appreciated by the citizens of this area for years to come.

Yours truly,

B.J. Sinclair
Principal, Wishart Elementary School
