Dear Mr. Masterton:

Re: Murray's Pond

I have for acknowledgement your letter of June 15th, written at the request of the local planning and zoning committee of the C.R.D. in connection with the above noted pond.

In reply I must state that the property on which this pond is located is registered in the name of our associate company, Construction Aggregates Limited, who as you know are engaged in the process of extracting gravel therefrom. Construction Aggregates Limited is solely responsible for administering these lands and we must refer you back to them for a decision on the issue which you raise.

Yours very truly,

GENSTAR DEVELOPMENT COMPANY
