Dear Ms. Gardner:

Thank you for your letter of May 1, 1982 requesting the following information, enclosed as noted:

1. Copy of Construction Aggregates original report (dated November 13, 1970).
2. Copy of proposed limits of pit in area of concern. As discussed with you we have a problem duplicating an entire blueprint.
3. Copy of original Permit dated December 22, 1970.

I understand that Mr. Johnson, Project Manager of the Producers Pit, has reviewed the project plans with you and that you have had access to development information at their office.

Please advise if you wish to review this project further.

Yours very truly,

D.M. Galbraith, P.Eng.
