Mr. C. M. Campbell,
Rockland Mines Ltd.,
635 - 789 West Pender Street,
VANCOUVER 1, B.C.

Dear Mr. Campbell:

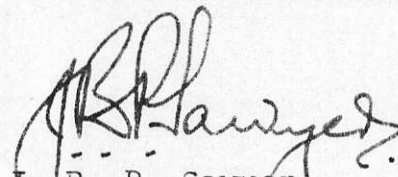

We are returning herewith your data on the Rockland Mines property and wish to thank you for allowing us to study it and for the opportunity to consider carrying out further work on this project.

As I indicated to you in our recent telephone conversation, we have given this property considerable thought and have decided that in view of the probable limited potential of the main zone, and of our other commitments for this year, we will not be able to handle it.

We appreciate being allowed to consider your property and will be glad to look at any other situations you may have in the future.

Yours very truly,

CYPBUS EXPLORATION CORPORATION, LTD.
