EXPO 1-16

MUNCHO LAKE
PARK
RES. REC.
CLASS B
31 MAY 57

For up-to-date information on
claims in this area you should refer
to the Mining Recorder for the
Mining Division concerned.

This map is prepared to serve as a public guide
to the location of mineral claims and other
features of interest in the Yukon Territory.
It is prepared from the records of the
Department of Mines and Technical
Surveys, and is not intended to be used
as a basis for legal proceedings.
