Dear Pete:

Thank you for your letter of May 10th and the copy of your compilation map of the Adonis Mines Axe property. We appreciate your remarks on Stinson's current work and his drill hole locations, and your comments and assistance in reviewing the Summers Creek data.

Enclosed please find our cheque in payment of your account.

Yours very truly,  
CYPRUS EXPLORATION CORPORATION, LTD.

Dear Paul:

I enclose a recent compilation map of the Adonis Mines Axe property on Summers Creek. My 1971 version is much simplified from the original Amax map. The enclosed map shows the six diamond drill holes (about 5000 feet) recommended for further exploration of the prospect.

Stinson is currently drilling a promotional hole near the old adit. I have indicated the drill site location on the attached map. Stinson has about 200 feet of BQ core so far but has declared the hole off limits until further notice.

Best regards,

sincerely,
