Prop. Submitted
near. Britannia Copper
mine

812683

Box 368
New Westminster, B.C.
April 3, 1968

Gentlemen:

Claims For Sale or Option

Copper, Silver, Lead, Zinc - Assays as high as 55% Galena,
45% Zinc on high grade outcrops.

Property is accessible by good road from the well developed
town of Squamish, B.C., just 5 miles from producing "Brittania
Copper Mine of Anaconda Copper Co. Ltd."

Airborne Geo-Magnetic survey of the property shows two
anomalies, one approximately 2000 ft. long by 400 ft. wide, the
other smaller.

Limited Induced Polarity work partially outlined on anomalous
area.

Engineer's report and more detailed information available
to interested parties.

Yours truly,

F. E. Scott
