Dear Sir,

As the results of the work which we have performed this year have been unsatisfactory we are dropping the option we had on the claims owned by Henry Jack in Atlin, British Columbia. It will therefore be in order for you to return to Mr. Jack all the documents which were placed in escrow with you last summer by Mr. Chisholm. We shall be glad to receive a note of your charges in this connection at your convenience.

Yours truly,

Attention: Dr. P. H. Riordon,  
Exploration Manager

Dear Dr. Riordon:

I received your letter of July 16th and also that of the Secretary of your company, Mr. I. C. Campbell. We regret that the results of the work which you have done on the Taku asbestos prospect were so disappointing. Thanks very much for the two copies of your report covering the work which you accomplished under somewhat difficult conditions.

I would appreciate an opportunity of talking to you about the property and the project some time. Do your travels ever bring you to Toronto where we could most easily meet, or would it be more satisfactory to meet you somewhere else? There certainly is no urgency about the matter but I would appreciate such an opportunity, if one can be arranged.

Yours very truly,  

W. S. Row,  
President.
