FILE

Because of negative I.P. results and almost total lack of outcrop, we decided to abandon the Lizard Head Claim (15 units).

For the purposes of extending our I.P. work a short distance East of the Lizard Head #1 East Boundary, we had one unit, the Liz #1 staked by the line cutting crew. This unit will be abandoned on its anniversary date.

W.M. Sirola,
Regional Exploration Manager.

P.S. Will advise anniversary date when we receive official recording document.
