MESSAGE

(TO BE COMPLETED IN TRIPLICATE)

Dear Mr. Miller.

We completed our examination of the Mary H. claims 1 to 4 yesterday and I regret that we found nothing of importance in our survey. Due to the condition of the road to the other showing drilled by Noamba we were unable to make an examination yesterday. We plan to go back there however when Macrae returns from Cranbrook within a weeks time. You will probably be back from your trip by then and can accompany Rod Macrae to the showing.

I am enclosing an assay report on the samples taken from the Mary H. group for your files.

Thank you for the opportunity of seeing your showings and your hospitality.
Regards.

E.O. Crisholm
