TO: DIRECTORS, TRIANA EXPLORATION LIMITED  
April 9 1957

FROM: MR. G. M. RADBICKS

SUBJECT: PACIFIC NICKEL MINES

I understand that a definite deal has been signed, according to the terms of which the concentrates from this property will be purchased by Japanese interests, at a premium price. Rumours have it that the price will be \$2.00 per ton of nickel contained in the concentrates.

Shares of Pacific Nickel have appreciated considerably as a result of these rumours and are now quoted above the \$1.00 mark.

*Kindly be advised in Quill  
Book also*
