To D. A. Lowrie From R. A. Dujardin

Subject Rainbow Group, Midway, B.C. Date August 21, 1984  
NTS: 82 E/2W

Enclosed please find a draft of a letter I would like to send regarding a simple option on the Rainbow claims - those which cover the chalcedonic veins in serpentinite near Midway, B.c. and which we discussed during your visit here. I also enclose a copy of the two underlying agreements.

I will be telephoning you on or about August 30th to see if you think the offer is acceptable.

Regards,
