Dear Sir:

Re: Land Status Johnson/Adams Lake Area

Reference is made to your request of March 30, 1894 and my telephone call of April 5, 1984 relative to a status of the aforementioned area which has now been completed.

Please find enclosed a colour status map of the subject area plus a written status indicating undersurface disposition as they apply to the particular parcel. As the entire statused area lies within three Provincial Forests please contact the District Forest Manager at Kamloops for information on Forest tenures (515 Columbia Street, Phone 374-7741). For further information on Crown tenures, leases and reserves, please contact our Regional Office in Kamloops, address shown on map status.

A search fee of \$275.00 is requested (11 hours @ \$25.00 per hour) in connection with the status. Please make your cheque payable to the Minister of Finance and attach to the extra copy of this letter marked to the attention of the writer. We do not send separate invoices.
