Partial Survey; Worden Gravimeter Survey
 by Charles A. Agee, Geophysicist (May 1972)
 Corrected for Drift, Free Air, Bouguer
 but not Terrain Effects. Data
 traced by C.A. Lamotte.
 Contours in gravity units [Initial = 1092]
 SZSZ & WMWM possible faulting based on C.A. Agee
 interpretation

Note Grab samples taken at Trench R9 (see map)
 1 Qtz-Carb Skarn diss cpy bn - 0.32% Cu
 2 Qtz-Carb Skarn banded cpy - 1.74% Cu
 3 And. Breccia peppered with
 fine black metallic mineral - 0.18% Cu
